<sup>1</sup> This chart encompasses all Objectors who are Current Injunctive Relief Settlement Class Members or are entering athletes for the 2025-2026 Academic Year who asserted they were previously promised a roster spot in their submission. Several objections or letters were filed by anonymous athletes or parents. The revisions to the Settlement Agreement address their concerns as well. Please note that Objector Reathaford is a Designated Student Athlete.

<sup>2</sup> “Designated Student-Athlete” is defined in the Second Amended Injunctive Relief Settlement Section 1(j) submitted concurrently herewith. Schools will prepare lists of Designated Student Athletes, but it is Class Counsel’s perspective that everyone listed in this Exhibit appears to be a Designated Student Athlete based on assertions in their submission. If an athlete attends a non-Conference Defendant Member Institution that does not opt in to the Pool Structure then that athlete will not be subject to the roster limits at all.
